NANNA DITZEL

Nanna Ditzel betragtes som en af Danmarks mest betydningsfulde og eksperimenterende designere. Hendes udforskning af nye former og materialer har været med til at forny dansk design. En række af hendes arbejder hører i dag hjemme blandt klassikerne i dansk møbelkunst.

Nanna Ditzel is considered to be one of Denmark's most important, creative and exciting designers. Since her design debut in 1944, she has created furniture, jewellery and textiles. Her exploration of new shapes and materials has helped renew Danish design. Today, Nanna Ditzel's designs are among the classics of Danish furniture design.
